

The League of Railway Industry Women
14th Annual Conference
June 8-10, 2011
Chicago, Illinois

Dear LRIW Member and Non-Members,

We are excited to announce the LRIW 14th annual conference and invite you to join us! This year's annual meeting will continue the LRIW tradition of education and training. We are focused this year on providing hands on learning to our members as well as introducing our members to new experiences within the railroad industry.

This year will include a visit to the Electro-Motive Diesel facility in La Grange, Illinois as well as a tour and presentation at Whiting Corporation in Monee, Illinois. We will also tour a Union Pacific diesel shop in Melrose Park and visit Funk Linko. Additionally, we will have a welcome reception at the Doubletree hotel on June 8, 2011 and dinner at Mr. Benny's on June 9, 2011.

Our meeting will also allow for time devoted to peer networking and relationship building as we continue to work and learn together and succeed in the rail industry.

We understand that today's economy has limited travel so we've kept conference fees the same as last year and have reserved a block of twenty hotel rooms for this year's attendees. Please reserve your room quickly so that you can guarantee the low rate and receive all the benefits the hotel has to offer.

Enclosed you will find hotel information and a business meeting agenda. Please also be aware that we are looking for corporate donations to fill our conference bags – this is a great way to promote your business to industry members. Please contact Jessica Kramer at email address: dieselsupply@sbcglobal.net with any donations you'd like to send along. We look forward to seeing you in June!

Sincerely,
Araceli Martinez
